

Thomas C Scharf

*** I am a resident of Branford and a register voter.**

***Bill S.B.# 1094 Banning large capacity ammunition magazine.**

***I OPPOSE .**

***I have purchased firearms with standard capacity magazine larger then
10 rounds legally and should stay legal.**

***Your proposed confiscation of magazine with capacities larger then
10 rounds without any compensation is extremely unfair.**

Thank you *Thomas C Scharf*
